In the Memory of Late Shri Inder Yadav

Late Shri Inder Yadav
1948 - 2002

You child's future begins here.....

Vishal International School's future will be shaped by the core values that have defined our past: Academic Freedom, Tolerance, and Experimentation.

Vishal International School was established in 2006 in Tigri, Greater Noida West, Gautam Buddha Nagar in the memory of Late Inder Yadav (National Level Wrestler) by Ms. Vimlesh Yadav.

It is an English Medium, Co-educational School primarily established to impart education of the children living in and around Tigri Village.

Since its inception the school has seen a gradual growth from a handful of students to its present stature, both in size, in the total number of students & infrastructural development. The school has a vision of a new world in which relationships are governed by the spirit of universal fraternity.

The school functions under guidance of eminent educationalists drawn from different fields of Education, Science and Technology. The school has won laurels at state, as well as at national level.

"Education is not a preparation for life. Education is life!" Children must be exposed to situations which will enable them to stand for themselves, not only in their adult life, but also to be content with their fears and frustrations, the joys and excitements, of their daily lives. The school aims at providing an all-round education and trains the students intellectually, morally, spiritually and physically so as to inculcate in them the right principles of conduct and the right attitudes in life, thereby enabling them to become loyal and useful citizens of our country

School Vision and Motto

SCHOOL HISTORY

Vishal International School, situated at Tigri Gol Chakker, Greater Noida West was founded in 2006 in memory of Late Shri Inder Yadav, as an English Medium School primarily for the education of the children living in the vicinity of Tigri Village.

In 2006, the school opened its doors to a handful of students at its inception and over the years since then it has developed both infrastructurally and in the total strength of students.

The school encourages education of the girl child.

The school got its CBSE Affiliation in year 2008 and since then boasts of conducting all three streams of education at the Senior Secondary level.

Aim of the school

Education is not a preparation for life. Education is life! Children must be exposed to situations which will enable them to fend for themselves in their adult life, and also to contend with the fears and frustrations, the joys and excitement of their daily life.

The school aims at providing an all-round education and trains girls and boys intellectually, morally, spiritually and physically so as to inculcate in them the right principles of conduct and attitude in life, enabling them to be and become loyal and useful citizens of our country.

MOTTO: "RESPECT, BELIEVE & EXCEL"

VISION: Vishal International School prepares students to understand, contribute to, and succeed in a rapidly changing society, thus making the world a better and a more just place. We will ensure that our students develop both the skills that a sound education provides and the competencies essential for success and leadership in the emerging creative economy. We will also lead in generating practical and theoretical knowledge that enables students to better understand our world and improve conditions for local and global communities.

"If you are planning for a year, sow rice; if you are planning for a decade plant trees; if you planning for a lifetime, educate people." -Chinese Proverb.

Chairman's Message

Vishal International School, has shown remarkable development in providing a conducive ambience for the student from the neighboring areas. As the Chairman, it is an exhilarating experience to know that the school breeds gentle human beings with genuine feelings, love for neighbours, & concern for the poor, care for humanity and greater understanding. It imparts quality education to all where the Vishalite's get ample opportunities to play, sing, dance and grow into a wholesome personality.

We aspire to produce champions in the field of education, sports and extra co-curricular activities.

We aim that every student is well trained to respect elders and teachers, maintain good relations, make friends and bear a positive attitude and ingrain the discipline and decency to make his school and parents proud of them. As a consequence of a strong, collective ethos and culture of support and respect, we are resilient. And yet, amongst the challenges that all schools have faced, we have taken a positive stand and are determinant to develop the school to provide a conducive environment.

Chairman: Mrs. Vimlesh Yadav

Manager's Message

Our vision is for our curriculum to provide a '**Firm Foundation For Life!**'. We pride ourselves on our

dedication to traditional standards and values and pursuing excellence for every learner.

I warm wishes to the parents to welcome our school to take the opportunity to associate with us and witness our high standards and expectations in practice, experience our ambitious culture and meet with our impressive students and staff. Their dedication and loyalty to success means that our academic performance is above national averages.

Our students are our foremost responsibility. We prepare them for their future careers and the staff are at the heart of their success provides a working environment. The school also imbibes to builds healthy relationship and forms the guiding principles in which we work, each and every day.

Vishal International School boasts of an energetic team of result-oriented teachers with diversified range of knowledge and experience. They are committed to instill appropriate attitude in students by tapping the student's potential for achieving ultimate excellence in life. An equally well -trained support staff helps in the smooth functioning of the school.

"Adapt what is useful, reject what is useless, and add what is specifically your own" – Brue Lee.

"If you want to accomplish the goals of your life, you have to begin with the spirit." – Oprah Winfrey

Principal's Message

The school prepares students to understand, contribute to and succeed in a rapidly changing society, thus making the world a better and more just place.

Vishal International School ensures that our students develop both the skills that a sound education provides and the competencies essential for success and leadership in the emerging creative economy.

We work to generate practical and theoretical knowledge that enables them to better understand our world and improve conditions of leading a comfortable life.

To impart education through social research derived to study issues of our time, such as our ancient heritage, democracy, urbanization, technological change, economic empowerment, sustainability, migration, and globalization.

The school shall be the pre-eminent intellectual and creative center for effective engagement in a world that is fast changing with increasingly demands of better-designed objects, communication, systems, and organizations to meet social needs. Social engagement should orient students' academic experiences to help them become critically engaged citizens, dedicated to solving problems and contributing to the public good.

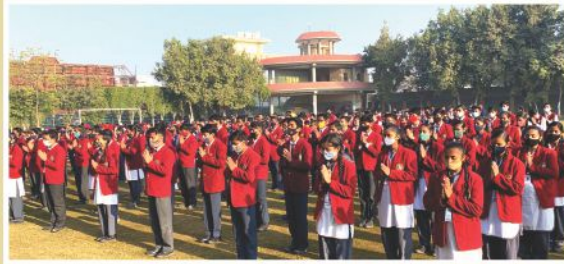

They will develop their potential by believing in themselves as capable individuals. They will learn to create, to lead, to love and live life fully.

“Education is simply the soul of a society as it passes from one generation to another” – G.K. Chesterton

Creating a difference: Quintessential Diversity....

Interschool activities and intra class activities are planned with the aim to develop and hone the skills of students at various co-curricular activities. Students get a platform to showcase their talent and hidden potentials. Class assembly also gives the student the opportunity to portray their creativity in the field of art & craft, oratory skills, dance and music and also public speaking skills.

Parents are the life defining success....

Parents connect:

The main objective of this is to connect with parents on regular basis to bridge the gap and help benefit the student in holistic development.

To involve parents in the learning process, orientation and workshops are conducted at regular intervals.

Parents' interaction with the teachers through a series of hands-on activities in order to learn how to use proven communication skills and strategies to encourage children to respond effectively for the holistic development of the children.
